# André Ranulfo

Front-end developer
Iot/Arduino programmer

## Contact

✉ andre_ranulfo@hotmail.com
☏ +55 21 96950-3850

## Skills

- Fast learner;
- Problem-Solving;
- Creativity;
- Communication;
- Attention to Detail;
- **Design:** Photoshop, Corel Draw and Inkescape;
- **Video editing:** Sony Vegas and Adobe Premiere;

## References

**Saul Stuart Gefter**  +1 567-777-5459

**Rubens Cohen**  +55 99998-2479

**Sérgio Sobreira** +55 99300-5757

## Education and Certificates

**Advertising and Marketing -** Universidade Estácio de Sá.

**Safety Technician** - Instituto Polivalente

**C#** - Fundação Bradesco;

**Java & OOP** - Curso em Vídeo;

**IoT** - codeiot.org.br - Samsung/LSITEC

## About me

I've always been a curious person, creative and a knack to understand how things work. I was always fascinated by science and technology, especially after watching Cosmos from Carl Sagan when I was 8 and also realized that I had a natural talent for drawing and illustration.

In Web Development, I can merge my two talents, design and technology.

## Coding

**Languagse:** C# and Java (OOP);

- **Front-end:** HTML, CSS, JavaScript, Bootstrap, ASP.NET;
- **Iot:** Arduino;
- **Design:** Photopshop, Corel Draw, Inkescape;
- **Video Editing**: Sony Vegas and Adobe Premiere.
